

Maison Devoille

A SYMPHONY OF TASTE

The Art of Pâtisserie at Maison Devoille

Step into a world where timeless elegance meets culinary artistry. Born from the imagination of celebrated pastry Chef Christophe Devoille.

Maison Devoille is a tribute to the sweet nostalgia of Paris' Golden Age - where every creation lifts the spirit like a hot air ballon rising above the City of Light.

Consumption of raw or undercooked animals, seafood or poultry products including eggs may increase your risk of foodborne illness. Additionally, if you have any known food allergies or intolerance, please notify our service colleagues since our food is prepared in a common area where allergens are handled.
