Overview

AN INCLUSIVE GUEST EXPERIENCES

At Atlantis Dubai, exceptional experiences are for everyone.

Inclusivity is at the heart of everything we do. Every guest is welcomed, supported, and comfortable. Our spaces are designed to meet diverse needs, with wheelchair-accessible facilities and pathways that make moving around the resort effortless.

Inclusivity goes beyond physical accessibility. We support guests with cognitive differences, including those on the autism spectrum, with sensory-considerate spaces and quiet areas for comfort and calm.

Our team is trained to assist with empathy and care, creating an environment where every guest feels respected, understood, and valued.

At Atlantis Dubai, inclusivity is more than an initiative. It is who we are. Every stay is seamless, enriching, and unforgettable, welcoming each guest into a world of extraordinary experiences.

IBCCES Sensory Guide

CLEAR INSIGHTS FOR MORE COMFORTABLE EXPERIENCES

The International Board of Credentialing and Continuing Education Standards (IBCCES) is a global leader in cognitive disorder training and certification. Through evidence-based programmes, it supports destinations in creating more accessible and inclusive environments for guests with diverse sensory and cognitive needs.

The IBCCES Sensory Guide uses a numerical rating system to help guests understand the sensory environment of each space. Experiences are assessed across the five senses — Touch, Taste, Sound, Sight and Smell — providing a clear and consistent point of reference.

Sensory Levels (1–10) indicate the level of stimulation, though individual sensitivities may vary and ratings should not be used in isolation:

1–3: Low sensory stimulation, typically calm

4–7: Moderate sensory input

8–10: High sensory stimulation with more intense elements

Notes beneath each rating outline specific sensory inputs and potential triggers. The guides are not intended to label spaces as “good” or “bad”, but to provide clear, practical insight so guests can prepare in advance and engage in a way that suits them best.

Stays

Exceptional Hospitality

A stay at Atlantis Dubai is an invitation to experience hospitality beyond the ordinary. We focus on every guest's needs, creating an environment where comfort and inclusivity come first.

Seamless Accessibility for All

For guests with mobility challenges, accessibility is thoughtfully integrated across the resort. Every space is designed to make your stay easy, comfortable, and enjoyable.

Specialised Support for Cognitive Needs

We recognise the diverse needs of guests with cognitive differences, including those on the autism spectrum. Sensory-considerate areas and specialised support ensure comfort and calm. Our team is trained to respond with understanding and care, making every guest feel welcomed.

Your Comfort, Our Priority

Comfort and enjoyment guide every detail of your stay. We aim to create moments that linger long after you leave, ensuring every experience exceeds expectations.

Personalised Care and Attention to Detail

At Atlantis Dubai, personalised care shapes every interaction and amenity. Every corner of our resort reflects our dedication to your wellbeing.

Redefining Hospitality Expectations

Here, extraordinary moments are not just possible - they are certain. Every stay is more than a visit; it is an experience of exceptional service and genuine warmth.

The sensory guides below help guests navigate the resort, providing insight into the sensory experiences.

Dining

Dubai's Premiere Dining Destination

Welcome to Atlantis Dubai, where every restaurant offers a unique culinary experience designed to inspire every guest. We are committed to providing extraordinary dining that caters to all and embraces diverse needs.

Accessible Dining for All

Every dining experience at Atlantis Dubai is designed with accessibility in mind. Sensory-friendly spaces and a team trained to assist guests with different needs ensure that everyone can enjoy our restaurants.

A Symphony of Flavours

Each restaurant offers a celebration of taste, designed to provide a memorable dining journey. Whether you have dietary requirements or specific preferences, our chefs create meals that are personalised, exceptional, and enjoyable.

Creating Memorable Moments

Dining at Atlantis Dubai is more than a meal. It is an opportunity to enjoy outstanding cuisine in a welcoming and inclusive environment.

A Culinary Journey of Inclusivity

Our sensory guide supports guests with cognitive differences, including those on the autism spectrum. With thoughtful spaces and trained staff, Atlantis Dubai makes dining inclusive and enjoyable for everyone.

Aquaventure World

Conquer the World's Largest Waterpark

With over 105 slides, attractions, and experiences, every day here is legendary. The park is designed to thrill and accommodate every guest, including those with cognitive differences.

The Commitment to Legendary Moments

Every attraction is crafted to leave a lasting impression. From adrenaline-packed rides to calm encounters with marine life, each moment is memorable and distinctly legendary.

Inclusive Experiences for All

Sensory-friendly areas, attractions, interactive exhibits, and immersive shows are designed to welcome every guest. Trained staff and thoughtfully planned spaces ensure a seamless, comfortable, and accessible experience throughout the park.

Guided Adventures with the IBCCES Sensory Guide

All rides and attractions feature IBCCES sensory guide signage. This provides clear information to help guests with cognitive differences navigate the park and enjoy every experience.

A Day of Accessibility and Fun

Accessibility and inclusivity are at the heart of Aquaventure World. From sunrise to sunset, every guest can explore, enjoy, and create legendary moments in a space where everyone belongs.
