AQUAVENTURE WORLD

AQUAVENTURE WORLD

Voted Dubai's #1 aquatic theme park on TripAdvisor and a Guinness World Records title holder, Aquaventure World isn't just any waterpark - it's the world's largest waterpark. With something for everyone, it's a place like no other.

Spanning 22.5 hectares, it features three action-packed themed towers, the world's largest kids zone, more than 2km of River Rapids, 1km of private beach, and over 105 slides, attractions and experiences.

Aquaventure World is home to several record-breaking slides, including the world's tallest waterslide, Odyssey of Terror; the world's longest duelling waterslide, Medusa's Lair; and the world's longest family water coaster, Shockwave - to name a few.

Meet friendly Indo-Pacific bottlenose dolphins and playful South African fur seals at Atlas Village, where guests of all ages can enjoy interactive and educational marine encounters. From up-close experiences to exclusive programmes, these interactions foster a lifelong appreciation for marine life and encourage guests to become ocean ambassadors.

Uncover an underwater world at The Lost Chambers Aquarium - Dubai's favourite and most immersive themed aquarium. Wander through 21 marine exhibits and come face-to-face with over 65,000 marine animals. Looking for something more adventurous? Scuba dive, snorkel, or walk underwater in the iconic Ambassador Lagoon to complete your legendary experience at Aquaventure World.

From high-speed thrills to immersive marine animal encounters, Aquaventure World offers legendary adventures that will keep guests coming back for more.

WATERPARK

At Aquaventure World, every drop, splash, and plunge is designed to thrill. With over 105 slides, attractions and experiences, the most iconic is undoubtedly the Leap of Faith - a 27.5m near-vertical drop that shoots riders through a clear tube surrounded by sharks and rays. For those craving an even bigger adrenaline rush, Blackout, the "scariest sister" of the Leap of Faith, pushes the boundaries of fear.

The park features exhilarating water coasters like Shark Attack, where riders navigate a dark tunnel before emerging into an incredible aquatic world. Group rides like Zoomerango promise gravity-defying thrills, while river rides, cliff jumps, and wave-riding experiences offer endless excitement for every adventurer.

For younger explorers, Splashers Kids' Play Area is a vibrant maze of tunnels, slides, and climbing frames designed just for them.

Beyond the slides, Aquaventure World offers unforgettable marine encounters - swim alongside sharks, hand-feed gentle cownose rays, or experience moments with dolphins and sea lions at Atlas Village.

And when it's time to unwind, the 1km private beach provides the perfect escape - whether you're soaking up the sun, taking a peaceful stroll, or enjoying the legendary views.

POSEIDON TOWER

Introduced in 2013, standing at 39 metres, Poseidon Tower features exhilarating attractions like Poseidon's Revenge, where riders experience a sudden trapdoor drop into a high-speed loop, and Aquaconda, the world's largest waterslide tube that catapults riders through serpentine tunnels in the dark.

TRIDENT TOWER

Opened in 2021, this 48-metre giant is the tallest of them all, featuring 12 record breaking slides, including the world's tallest waterslide, Odyssey of Terror; the world's longest duelling waterslide, Medusa's Lair; and the world's longest family water coaster, Shockwave.
