Born in Strasbourg, Devoille's career began at the age of 15 years old in his kitchen at home, making cakes with his mother. After pastry school, Devoille has travelled the world learning only from the best in the industry such as Alain Ducasse and many more. He played a crucial role as the Executive Pastry Chef in the pre-opening of the Wynn Palace in Macao, China where he perfected Wynn's legendary macarons.

Now, Christophe Devoille heads the artistry of pastry at Atlantis The Royal, where he and his exceptional team of pâtissiers craft exquisite creations using the world's finest and rarest ingredients.
