ACTIVITY THEME	DESCRIPTION
Little Adventurers	A series of immersive missions and imaginative storytelling journeys where children become explorers, treasure hunters, detectives, or even time-travelers. Each session transforms play into an exciting quest, blending creativity, discovery, and hands-on fun to spark every Explorer's curiosity and bring their imagination to life.
Playful Explorers	A lively mix of high-energy social games that bring children together to build teamwork, confidence, and lasting friendships. From giant board games to friendly competitions, each session is packed with laughter, bonding, and group fun, creating a vibrant space where Explorers can connect, collaborate, and play together.
Little Creators	A hands-on art experience that invites children to design, craft, paint, and build using both traditional materials and sustainable resources. Each session in our Kids Club Art Studio inspires creativity and imagination, giving Explorers the chance to create something unique, meaningful, and truly their own to take home.
Meet The Experts* *Please note this activity has limited availability. Pre-booking is required to participate.	A program where kids step into the shoes of real professionals. From marine biologists to tennis coaches to pottery artists, children learn directly from experts through interactive, hands-on, and behind-the-scenes experiences, giving them an inspiring glimpse into different careers and passions.
Active Explorers	A fun and dynamic program that keeps children energized with exciting sports and movement challenges, from obstacle courses and beach relays to lively pool games. In a safe and engaging environment, Explorers build coordination, confidence, and teamwork while enjoying high-energy activities that promote fitness, fun, and active discovery every day.
Little Discoverers	A STEM-focused adventure where curiosity leads the way and learning comes alive through hands-on fun. Children dive into science with experiments, problem-solving tasks, and creative challenges—from erupting volcanoes and building projects to puzzles and space-themed storytelling. Each session encourages imagination, critical thinking, and a love for discovery in an engaging, playful
Energetic Explorers	A fast-paced, action-filled program that keeps children on the move with exciting group games and teamwork challenges. Through active play, friendly competitions, and plenty of movement, Explorers burn off energy, share lots of laughs, and build connections in a lively, upbeat atmosphere.
Showtime Showcase	A joyful space where children step into the spotlight through fun, creative performances in a supportive environment. From daily shows and mini fashion walks to puppet acts and exciting end-of-week celebrations, Explorers can express themselves, grow in confidence, and share their talents with pride.
