FOREST AWAKENING

120 minutes

We have created a sacred space filled with divine intention, shared between you and your loved one. Sit back, relax in our forest swings and allow the alluring fragrances of pure essential oils to transport you to a place that re-inspires you. To reconnect, start with an invigorating African mud scrub in the outdoor shower before a bespoke full body massage.

NYUNGWE RITUAL

120 minutes

Drift away to the tranquil rhythm of the forest and surrender to a deeply restorative African journey. Your experience begins with a magnesium-rich mud wrap, easing tension from your body, followed by a magnesium-infused deep tissue massage designed to soothe and rebalance the muscular system. The ritual concludes with a radiance-enhancing mini facial, leaving you feeling renewed, relaxed, and restored.

INTONGA AMASATCHI

75 minutes | 100 minutes

The body holds the memory of every emotion we experience. When we struggle to release tension, it manifests physically, often lowering our natural vitality and immunity. The Intonga Amasatchi ritual is a deeply restorative full-body therapy combining firm, rhythmic movements of the hands with the skillful use of specially crafted wooden sticks to stretch tight muscles, relieve deep-seated stress, and stimulate the release of toxins. Rooted in ancient African tradition, the stick is once a symbol of wisdom and guidance that empowers the healer to restore harmony, balance, and renewed energy to the body.

FIRE RITUAL

90 minutes

A symbolic treatment ritual that works deep into the muscular system to release stiffness and pain. Begin your journey with a smoke bath ritual and fire visualization coupled with guided breath work, which is a powerful activation process in transforming pain into healing energy. Fire has long symbolized rebirth in human culture and is our inspiration for this rejuvenating full body experience where your body and mind will feel cleansed, reignited and re-energized.

AFRICAN MARULA EXPERIENCE

120 minutes

Indulge in our pure and natural Hypoxis Body Wrap, expertly formulated with African potato and Marula oil. Warmly applied to the body, this nourishing treatment softens, soothes, and enhances skin hydration while helping to combat free radical damage. As the rich ambient sounds of Africa play in the background, your mind is gently guided into a state of deep relaxation. A traditional foot ritual and a calming scalp massage accompany the wrap as it melts into the skin. The experience concludes with a soothing full-body massage using conditioning Marula oil, leaving you feeling restored, balanced, and renewed.

Face

AFRICAN GODDESS

90 minutes

The African Goddess facial is a treatment designed to honour the sacred energy within. Our de-stressing, anti-ageing facial is rich in natural plant oils. Deeply hydrating, it restores elasticity and stimulates new cell growth. The back is scrubbed before a shea balm-infused back massage. This treatment is a wonderful ritual that involves cleansing, massage, and sound therapy, allowing you to rediscover the essence of you.
