VILLA KYMA

The architectural floor plan of Villa Kyma is presented in a minimalist, line-art style. The central feature is a large square room with a light beige floor, containing a blue sofa and a blue armchair. To the right of this room is a long, narrow rectangular room with a blue floor, featuring a white dining table and chairs. A small kitchen area with a white sink and stove is located at the bottom right. The plan includes several outdoor spaces with green lawns, trees, and outdoor furniture. A large, multi-level terrace with a grid pattern is situated on the left side. The overall layout is compact and functional, with a focus on indoor-outdoor living.
