DESTINATION

UNRIVALLED LOCATION

Commanding the chicest locale in all of Baja California Sur, One&Only Palmilla is situated on land that enjoys a rich and storied history dating back millions of years, when volcanic movement and earthquakes split a 1,100-mile-long finger of land off mainland Mexico.

Arrive at One&Only Palmilla via chauffeured luxury SUV. Your journey to the resort takes approximately 20 minutes from the airport. Daily flights into Los Cabos International Airport (SJD) are available from most major U.S. gateway cities. Flights from Los Angeles are a quick 2 hour trip.

DINING

SEARED BY ONE&ONLY™

Chef Dario Seco's bold culinary vision elevates the woodfire grill into an art form. Every element—whether dry-aged cuts, just-caught seafood, or vibrant local vegetables—is transformed through flame, with techniques that coax intensity, texture, and depth from each ingredient. Backed by one of Cabo's most expansive and discerning wine lists, this is a dining experience built to impress and provoke.

AGUA

One of the most renowned restaurants in Los Cabos, Agua serves an authentic menu of seasonally-driven Mexican farm-to-table cuisine. Perched cliffside at the water's edge, the al fresco space overlooking the Sea of Cortez is equally as spectacular, as is the large selection of Mexican wines.

SUVICHE

A high-energy culinary experience where pan-Asian and Latin American flavors collide in bold, unexpected ways. Here, refined technique meets vibrant creativity—each dish a celebration of spice, texture, and contrast, made to be shared and savored together. With sweeping sea views, a buzzing atmosphere, and a cocktail program as daring as the cuisine, the adjoining lounge sets the perfect stage for spirited conversations, sunset to last call.

BREEZE

Just beyond the resort's iconic central terrace, Breeze overlooks one of two dramatic free-form pools with captivating sea views on the horizon. Enjoy casual outdoor dining, from delicious breakfasts to an all-day menu of Mexican delicacies prepared with local organic produce.
