MENU

At Sabia, we believe authentic Italian cuisine begins with simplicity, seasonality, and respect for the environment. Inspired by traditional Mediterranean cooking, our dishes are prepared using fresh seasonal ingredients sourced through conscious partnerships with local producers. We are committed to reducing waste through careful portion planning and responsible kitchen practices, while our menus are printed on 100% recycled paper with eco-friendly inks.

Our sustainability efforts are part of a wider environmental commitment recognized through EarthCheck Gold certification, an internationally respected benchmark for sustainable tourism and hospitality.

La nostra filosofia

Embodying Italian quintessence, Sabia honours the freshest local and regional ingredients, following the flavours of the season while simultaneously highlighting the best of fresh Adriatic catches and sustainably sourced seafood.

A convivial locale by the sea, experience a taste of Italy where the beauty of the Montenegrin coastline meets the authenticity of Italian cuisine, bringing la dolce vita to Boka Bay.
