PHILOSOPHY

Ancient paths carried stories. Sada Yacco, the daughter of a Japanese brewer, set out from her humble homeland in search of new worlds - not to forget her roots, but to carry them forward. With her, she brought a reverence for nature, attention to detail, and the joy of discovery.

Tapasake continues that spirit of journey - blending the culture of Japan with the subtlety of European small plates, creating a place where harmony of flavors and moments meet. Every glass of sake or wine on our list is chosen with the same care: to elevate the meal, to unfold a story, to connect guests with nature and the people behind each drop.

Here, tradition does not stand still - it travels. Every sip, every bite reminds us that discovery - of land, of flavors, of moments - is what truly connects us. Tapasake is precisely that encounter: a journey of taste that honors roots while celebrating the unknown.
