LOCATION

Our KidsOnly club is located next to Club One. You'll find it on the map at the end of this guide.

OPENING HOURS

Your little ones can enjoy KidsOnly club daily, with supervised activities from 10am to 6pm.

AGES

Use of the KidsOnly club and amenities is free for all resort guests aged between 4 and 11 years old. Children under 4 years old are welcome to use the club's facilities, but must be supervised at all times by a parent or guardian.

REGISTRATION

KidsOnly is complimentary, subject to prior registration and adherence to the club's rules and safety regulations. You can register your child at any time, just remember to make sure they are present at the club before any scheduled activities begin to avoid disappointment.

HEALTH

Please let us know if your child suffers from any health problems or allergies, and supply us with any information related to their wellbeing. For the comfort and safety of KidsOnly club members, children with signs of flu or other potentially contagious conditions will not be permitted to participate in club activities.

FOOD ALLERGIES

Although you may have shared dietary or allergy specifics at the time of your arrival, for safety reasons, please ensure you reiterate your child's requirements to management every time you visit our restaurants. Our guest relations coordinator and chef will also be pleased to meet you personally to discuss any specific culinary requirements.

Our regulations

KidsOnly is a place for our littlest guests to explore, play, create and have fun! To do that safely, we ask you to read and adhere to the following club policies:

DROP OFF & COLLECTION

Please ensure your child is feeling well upon drop-off. If you intend to leave the resort while they are in our care, please let the KidsOnly manager know where and how you can be contacted. Kindly pick up your child promptly at closing time, unless you've made prior arrangements with the KidsOnly supervisor.

For safety reasons, children are not permitted to leave the club without a responsible adult. Children aged 11 and over may leave unaccompanied, but only if you have given specific prior permission to the KidsOnly manager. Please ensure your child is dressed appropriately for the scheduled activities. We advise they bring a sun hat or cap, a swimsuit, sun cream, appropriate footwear, and a change of clothing.

KIDS ONLY

VALUABLES

Please make sure that all items are clearly labelled with your child's name. We recommend that children are not left in possession of valuables such as jewellery when attending the club. The resort cannot be held responsible for loss or damage of any items during participation in club activities.

DISCIPLINARY ACTIONS

We aim to make our KidsOnly club enjoyable for all participants. For this reason, children who are repeatedly disruptive or unruly will be returned to their parents guardians and may be excluded from future participation.

MEDICATION

For safety reasons, KidsOnly club team members are unable to administer medication to children. If your child requires medication, you must be present to administer it. In the event of prolonged absence of parents or guardians beyond normal hours, the KidsOnly team members are authorised by the management to take such measures as may be necessary to ensure your child's wellbeing.

ACCIDENTS

In the event of an emergency, if you are unreachable, you must authorise the officers, employees or agents of One&Only Kéa Island to take whatever steps they deem necessary or appropriate, including those requiring emergency medical treatment. Parents/guardians must reimburse One&Only Kéa Island for any medical expenses incurred, including from hospital visits.

Play

The KidsOnly club offers daily supervised activity programmes that cater for all ages.

Your little ones can discover the wonders of the natural world and enjoy curated daily activities designed to inspire and educate. Whether making their own handcrafted mementoes in our arts and crafts workshop, learning about local herbs in our Herbarium, or setting sail for an unforgettable voyage across the Aegean, a day at KidsOnly is always filled with adventure and exploration. Please ask at the KidsOnly club for more details.

BECOME AN ARCHAEOLOGIST

Junior explorers can embark on a journey of discovery with our archaeology workshop, held daily at KidsOnly. After learning about the tools and techniques of excavation, they'll take part in their own dig of the ancient homestead within the resort.

ONE TRIBE

A dedicated space for teens, One Tribe offers an array of activities indoors and out, with a basketball court, table tennis, foosball and billiards, plus a PlayStation zone for gaming sessions.

Children remain under the sole care and responsibility of their parents/ guardians throughout their time at the resort. However, we request that you keep a constant check on your children whenever they are not participating in organised activities, especially around the swimming pool and on the beach – even when those areas are supervised by lifeguards.
