THE GENTLEMEN'S
PRIVATE GROOMING STUDIO

BARBER&BLADE BY ONE&ONLY

The gentlemen's private grooming studio

Barber&Blade by One&Only provides a range of treatments, products and experiences for discerning gentlemen to enjoy a grooming experience in discreet and luxurious surroundings. The concept was created to give men what they want and to create a place for them that caters exclusively to their needs - from grooming, shaving to skin care that are designed exclusively for men.

Appointments take place within the private room that allows guests to feel comfortable and relaxed whilst experts are on hand to advise on the guests' grooming routine - ensuring that all gentlemen look and feel their best on a daily basis. A specially curated menu of treatments dedicated to the modern men has been compiled to include shaving and barbering alongside treatments for the face.

The grooming journey at Barber&Blade by One&Only begins with a glass of whisky and where the gentlemen can select their own music. The music menu consists of a variety of selections of relaxing instrumental music, old classics and various modern-day artist hits.

THE BASICS

BEARD TRIM (30 MINS) – \$60

Your beard will be trimmed to your liking using classic methods

EYEBROW THREADING (30 MINS) – \$40

Eyebrow threading is an ancient hair-removal technique and is the best alternative to waxing. The eyebrow area in particular is shaped using a very fine cotton thread, removing the hair from the root and giving you a natural look

CHILDREN'S CUT (40 MINS) – \$55

Our barbers are highly qualified and experienced in cutting children's hair in a calming environment that is also equipped with child seats and cartoons if needed

CHILDREN'S CUT IS FOR THOSE UP TO AGE OF 14

COLOUR SERVICES

CAMO COLOUR – GREY AWAY (30 MINS) – \$60

Also known as Grey Away, this is a custom grey camouflage colour service that gently hides the onset of grey hairs

SEMI-PERMANENT COLOUR (60 MINS) – \$100

This type of colour treatment gives great coverage to the hair and normally lasts between 4 to 6 weeks

PERMANENT RE-GROWTH COLOUR (60 MINS) – \$85

Colour is applied to the root area in order to match the existing colour and gives it more tone and support

PERMANENT FULL HEAD COLOUR (70 MINS) – \$125

A colour treatment gives 100% coverage and only grows out with your normal hair growth

HIGHLIGHTS/LOWLIGHTS (60 MINS) – \$155

Highlights are used to create the appearance of texture through a multi-tonal layer of colour. It's an incredible opportunity to try something different
